

Rotational Grazing Field Day

POTTER COUNTY
CONSERVATION DISTRICT

PennState
Extension

NRCS Natural Resources
Conservation Service

Wednesday, August 28th, 2019

11:00 AM—2:00 PM

Cady Farm—100 Hurler Rd Westfield, PA 16950

*Join us for a day of information and multi-agency technical assistance,
grant funding updates, and a free lunch!*

Topics to be covered:

Pasture Weed Management

Benefits of Rotational Grazing

Soil Health and various Testing methods

Rotational Grazing Fencing System Introduction

The benefits of our rotational grazing starter kit include
lessened livestock disease, illness, and overall physical
stress, and improved pasture soil health!
